### **CHIEF EXECUTIVE OFFICER**

#### **Global 9 Resources Pte Ltd.**

Venkatesan Sukumar Iyer (Sukumar) is a Chartered Accountant and the CEO / Director at Global 9 Resources Pte Ltd.

With over 35 years of experience in Accounting, Auditing, International Human Resource, Corporate Taxation and HR Administration, his expertise spans across administration, planning and compliance of the district offices in Asia-Pacific, having managed businesses in over 15 countries in the region.

### **EDUCATION**

V Sukumar Iyer has two graduation degrees to his credit in Science & Commerce from India. He became a Chartered Accountant in India and acquired professional memberships in the following professional bodies:

- Fellow member of institute of Chartered Accountants of India since May 1976.
- Fellow Member of institute of Certified Public Accountants of Singapore.
- Fellow Member of ACCA institute in UK.
- FCPA Australia.

### **PROFESSIONAL EXPERIENCE**

#### Early Career:

V Sukumar Iyer started his career in 1976 as Audit Manager in A.F. Ferguson & Co, Chartered Accountants and later grew into the role of Audit Senior in Touche Ross, Singapore between 1979 and 1981. His skills and drive soon propelled him to the position of Management Consultant in Touche Ross Associate in 1982.

#### From Audit Firm to Industry:

He then moved from audit firms to industry to be the Manager – Internal Audit and Administration with Re-Insurance Management Corporation of Asia Pte Limited for a brief period. Later he joined the Schlumberger Group Company as in-house tax professional and established various processes & systems from 1985, before leaving the group in 1994 as Tax Manager.

### Heading Financial Services:

In August 1995, V Sukumar Iyer joined a company of the Wearnes Group as a Director of Finance and worked for 3 years, reporting to the CEO and Director of Wearnes Technologies. He was given the special responsibility to assist the Audit Committee Chairman. He also gained 3 years of experience in Finance, assisting the group director in dealings with PriceWaterhouse (PWC).

In August 1998, he joined the Kvaerner group of companies as Director of Taxation and handled the taxation of the group in Asia Pacific, directly reporting to the Director of HR Taxes and Director of Finance in the UK. As a director of the APAC Company, he managed the accounts department and was responsible for all compliances like audits & other statutory issues.

### Current Position:

In 2002, V Sukumar Iyer ventured out on his own and set up Global9 Resources Pte Ltd., a service provider in Taxation, audit compliance, Internal & management audits, corporate secretarial services and other related services in Singapore, Malaysia, Thailand, Australia and Indonesia. As the CEO of Global 9 Resources, he has helped several business groups to set up entities in Singapore and in the region, by providing advisory, directorship, banking and accounting services as a wholesome package. He aims to add value to organizations through his extensive experience in the region and in running professionally managed companies.
